Collection of Good Practices

Partner: OpenEurope

Spain - Good Practice 1

Aim of the project:

To contribute to change the above mindset, draw attention to the importance of talent recognition and management in VET, collect and systemize good practices, demonstrate and teach new approaches and practices in the field to teachers, trainers, mentors and leaders.

Aim of the collection of good practices:

To share the different good practices to improve the detection of good practices in VET education.

Training on VET for Educational Counselors and Employment Offices	
Level	Regional (Valentian Community)
Country	Spain
Institutions involved	General Sub-Directorate for Teacher Training and the General Directorate for VET
Description	At the request of the General Sub-Directorate for Teacher Training and the General Directorate for Vocational Training collaborated in the design and delivery of training sessions for Secondary School teachers and employment office counselors to explain the whole VET system, including the Dual VET modality.
Main Results	Through the workshops, a total of 118 education counselors and 105 employment counselors were reached. The two subsystems (education and labor) worked together to get to know the most important aspects of VET, in order to have a more complete understanding, to find talented students and be able to better guide them into VET
