

Regarding: Exchange of Good Practices in Talent Management in VET

Report of Study Visit 14-18.03 2022 Romania

We are, representatives from Stichting Wave Education, were not able to attend physically due to Covid19, both have resulted positive so that Pelin Pektaş and Emre Hüseyin YİĞİT who's appointed for this meeting, however, we joined the online meeting by video call. We have observed the Romanian VET system, joined the discussion, and share the idea that facilitated us to comprehend the main objectives of the VET Education of Romania. We had a chance to eliminate details and compare differences from our education system and learned the concept of VET and how it's been managed by schools and institutions. During the meeting, there were presentations, small discussions, and digital learning tools presented to us to facilitate our participation in the meeting. Thanks to the hosting organization for their affordable and inclusive approach that managed to involve us in the meeting however we followed online.
