

Erasmus + : Exchange of Good Practices on Talent Management in VET

## Exchange of Good Practices on Talent Management in VET

### Collection of Good Practices

Partner: Dvojezična srednja šola Lendava/Kétnyelvű Középiskola, Lendva

### Slovenia – Cooperation with external institutions

#### Aim of the project:

To contribute to change the above mindset, draw attention to the importance of talent recognition and management in VET, collect and systemize good practices, demonstrate and teach new approaches and practices in the field to teachers, trainers, mentors and leaders.

#### Aim of the collection of good practices:

To share the different good practices to improve the detection of good practices in VET education.

<b>Cooperation with external institutions</b>	
Level	School
Country	Slovenia
Institutions involved	Dvojezična srednja šola Lendava/Kétnyelvű Középiskola, Lendva
Description	<p>The school provides talented students who are taking part in various competitions and contests on a regional and national level with a mentor from the local or wider area. Usually, they are experts who in their institutions (they are either companies or higher education institutions) work or do research on a similar or same field.</p> <p>The cooperation with external institutions can be easily presented with the following scheme:</p> 
Main Results	With the help of such experts, talented students can expand their knowledge and keep developing their talent, while at the same time they are also achieving excellent results in regional and national competitions.
Date/duration	All school year.
